Richmond Heights child care center announces Grand Opening on May 12, 2012

Richmond Heights, OH – May 7, 2012 – After much planning, Early Steps Learning Center has officially opened its second child care center in Richmond Heights.

“We are excited about our growth and wanted to personally thank our devoted teaching team and staff, parents, and community members for your support”, beams Director Angela Barringer. “We have received many testimonies from parents, community members and our local school district confirming that our philosophy of care and education *works*. We are dedicated to building a strong foundation for a lifetime love of learning and look forward to serving more children and families in Richmond Heights and surrounding communities”.

Joanne Hurt and her daughter have been part of the ESLC family since the original Center opened 9 years ago. When asked to share her thoughts about ESLC, Joanne mentions the great care and individualized education that is given to each child. “I appreciate the educational programs at Early Steps and feel that the Preschool and Pre-Kindergarten programs prepared my daughter well for Kindergarten.”

Andretta Ware, another long time ESLC parent, shares, “I love that the Center is open and welcoming. My daughter loves going to school every day. As a parent, there is nothing more comforting than *peace of mind*. We have been a part of the ESLC family for over 5 years and have enjoyed each and every fun filled moment. We are looking forward to many more years.”

The new child care center, located at 468 Richmond Road, is now enrolling for all programs for children from the ages of 6 weeks through 11 years old from Monday through Saturday.
